

**POOLS OF DESIRE:**  
Home spas with heated pools created for clients in UK by Technology Pools.

colours neutral and restful—white, ivory, sage, blue or green. Limestone and slate are good surface materials or you can go for easy to maintain tiles with stone finish. Scented candles, tea lights and fragrance diffusers help set the mood, so keep plenty strewn around

the space. Also, make sure you have other accessories like bath robes, soft towels, pumice stones, loofahs and body brushes close at hand. Spa essentials like aromatherapy oils, body scrubs, masks, hair and skin moisturising oils and bath salts should always be ade-
