

◀◀ **Spa(re) a glance...**

If spas are your favourite hunt to unwind then what's better than having a personal one! Technology Pools introduces Luxurious Home Spas suited for homes and offices. After innovating with swimming pools, Technology Pools now brings an easy and effortless way to detoxify and relieve one from stress with a spa treatment. Robustly built and energy efficient, the spas come for a price of Rs.4,00,000 onwards.
