POOLING IN

Price: Rs 12 lakhs to Rs 90 lakhs

Sink into the luxury of the Ultra Level infinity swimming pools, from Technology Pools. These stunning beauties have no edges or walls, creating the illusion of water reaching past the edge of the pool and meeting the horizon. The pools usually have a minuscule basin surrounding the perimeter, which holds the water when it falls over the edge. From there the water is pumped through a secondary filtration system, which brings it back into the pool. Apart from the standard sizes, these pools can be customized — be it creating unique shapes or extending the length of the pool or adding radius corners. The pools can be placed in any location, even a sloping garden!

KETTLE BARBEQUE

Price: Rs 1,49,990

With a large cooking area (1,104 sq in), Weber's Ranch Kettle excels at grilling and roasting multiple items. This product features a porcelain-enamelled bowl and lid, heavy-duty plated-steel hinged cooking grate, a pair each, of locking caster and crack-proof all-weather wheels, glass-reinforced, maintenance-free nylon handles, and a removal ash-catcher. Available in black, the kettle comes with a Weber cookbook and limited warranty.

GIZMO TREAT

Price: Rs 61,263 (321); Rs 76,338 (321 GS); Rs 1,03,388 (321 GSX Series III)

Are you on the look out for a smart, complete home-entertainment system? Bose India gives you both, with its latest addition to the 321 GS home entertainment systems: 321, 321 GS, and 321 GSX Series III. The media centre now includes HDMI output to offer video upscaling up to 1,080p. While the 321 comes with two arrayed speakers, the 321 GS and 321 GSX systems come with two Gemstone speaker arrays that use powerful neodymium iron boron magnets to provide rich sound. Each system includes an Acoustimass module, a media centre with a built-in DVD/CD player and an AM/FM tuner, plus audio inputs for three additional sources. A universal remote allows users to control the system. Also, the 321 GSX Series features uMusic intelligent playback system that digitally stores and organizes the contents of CDS — upto 200 hours of music.
