There is always something happening in the world of fashion. In an occasional column, Lifestyle keeps you abreast with all you need to know to keep your FQ going

Personalise your bag

EDGE, the clothing and accessory brand, recently opened in the DLF Place mall in Saket, customises bags for both men and women. The range includes laptop bags in different colors that you can personalise with in-

itials and logos to small and super size clutch bags that can be customised to suit your fancy. Check it out next time you are hunting for personalised presents for friends or family.

Rooftop Luxury

Technology Pools, a UK based company, has recently launched their roof top swimming pool services in India. These

swimming pools are perched on the buildings' top floor terraces. Spend your summer evenings in style as you rejuvenate and relax after a hot, hectic day with a long dip in your pool. The ultimate luxury is when you can also enjoy the scenic rooftop view around by day or the panoramic lit-up landscape by night. Time to bring out the barbecue stand, chill the wine and plan that rooftop poolside summer party...not a bad way to spend the summer we say!
